Mr. John L. Hacker,  
11 McGee Street,  
Greenville, S. C.

Dear Sir:

In response to your letter of July 8th, we could furnish you a copy of the King Albert and Queen Elizabeth medal in silver for \$10.00 and in bronze for \$5.00. I should be glad to have your order. I am enclosing a brief circular describing our Museum as well as a card of application for Associate membership. The chief advantages of a membership for one who does not live in New York are our publications. I enclose a list of those which have appeared so far. From four to six are usually issued each year and they have a published value, as a rule, in excess of the \$5.00 dues.

From time to time our Society does issue medals and a subscription for some of these has been restricted to members. The last two, however, were issued at a fairly considerable loss and it is not possible at present to say when another will be issued. If you care to sign the accompanying application, I should be glad to present your name in the fall at the next meeting of the Council.

Very truly yours,

Secretary
